

# Occupational Health

Ascension has more than 30 years of experience providing Occupational Health services for our employer clients.

Ascension St. Vincent's and Ascension Sacred Heart are committed to creating a healthy work environment that meets the unique needs of companies and their employees. We offer the finest medical staff, technology and facilities to ensure that you have access to the best Occupational Health possible. Through evidence based care and prudent use of medical resources, our full-service programs succeed in reducing work-related medical costs and lost work time.
